APPLICATION FOR MEMORIAL ENGRAVING

Each year since the dedication of the memorial in 2022, the Memorial Committee has received new requests to have Veterans' names engraved on the granite panels in the memorial. Requests are accepted every year until December 31, to be engraved the following spring. New names are professionally sandblasted through silicone stencils on the granite panels prior to Memorial Day.

The cost for sandblasting one name into a granite panel is \$125. The Memorial Committee does not charge a fee for veterans or families to have names engraved. However, a donation is always appreciated to offset the cost for engraving, as well as for on-going maintenance to keep the memorial a suitable tribute to those who served in our Military Services to keep America free.

Print the NAME of the Veteran (Carefully and Legibly) as it should appear on the Memorial.
