

**LOWHILL TOWNSHIP
BOARD OF SUPERVISORS
BUDGET WORKSHOP
MEETING MINUTES
SEPTEMBER 22, 2026**

The Lowhill Township Board of Supervisors Budget Workshop was called to order by Chairman Curtis Dietrich at 8:15 am. Also, present were Vice Chairman Michael Divers; Supervisor Jack Iannantuono; Township Manager Michael Siegel; Road Master Joseph Kalusky; Assistant Road Master Jamie Shelton and Secretary Jill Seymour.

There was a discussion on screenings vs. anti-skid for winter maintenance. The possibility of oil and chipping Farrier Road.

Jill Seymour will look into doing in house drug and alcohol testing.

Part time winter maintenance alternatives:

Put an ad in the paper or hire an outside agency. We have 43 miles of township roads and 13 cul-de-sacs. Will also need to find out if an outside agency can be paid through liquid fuels.

Jack Iannantuono – Reality is we need 3 full time employees, 1 part time employee and outsource winter maintenance. Need to see the numbers, possibly 4 full time and plow ourselves.

We received a \$100,000 grant for a salt shed. Need to see what we can get for that price. Possibly hoop and concrete concept.

Went through the line items on the budget worksheet. Will need to track rental properties in the township by property owners. Will set up a \$100 fee and its property owners' responsibility to provide information.

Next budget workshop will be held on Wednesday October 28, 2026 at 8:00 am.

The Lowhill Township budget workshop adjourned at 10:34 am.

Respectfully Submitted,
