

## **To the Residents of Lowhill Township**

**The Board of Supervisors would like to keep everyone up to date on what is happening in the Township and assure you that they are doing their best during these challenging and unprecedented times.**

### **Covid 19 update:**

**The Board has not been able to meet in person at the Township building for meetings since April and has been utilizing online Zoom meetings. All residents are welcome to join these meetings by contacting Brian Carl at 610-285-6660 for log in information. The meetings are held at their regularly scheduled time, the first Thursday of each month at 7:30 pm. All meetings will be held via Zoom until further notice.**

### **Isaias damage update:**

**Hurricane Isaias which came through on August 4, 2020 has caused significant damage to the township's roads and bridges. During storm response, a tree fell on one of our trucks causing a potential total loss to the vehicle, but thankfully no one was injured. We assure you that we are using every resource available to clean up and repair the damage done and will be seeking disaster relief if it becomes available.**

**The Board is diligently working with the best interests of Lowhill Township residents in mind and will continue to do so. For safety reasons, some roads and bridges may remain closed for a longer period than we would like, but we ask for your patience while we evaluate and make any necessary repairs to the damage that the storm has caused. Should you notice something that needs to be repaired or fallen trees, please contact us immediately. We have lost phone and internet at the Township building, so we are asking that you contact Brian Carl, who can get in touch with the road crew at 610-285-6660. Our road crew is doing the best they can to get the Township back up and running and appreciate your cooperation and understanding during these trying times. Since we have been financially responsible over the years, by never borrowing money and making some tough decisions, we are fortunate to be in very good financial shape and will get Lowhill Township back to its beautiful countryside, where it is a pleasure to live and work, with or without State or Federal aid.**

**The Board welcomes any and all comments and we take pride and pleasure in serving the residents of Lowhill Township. Until we see you again, please stay safe, stay healthy and wear a mask!!**

**The Lowhill Township Board of Supervisors**
