Brian Carl: The Villard hearing was held, this is Ridge Road and there is an abundance of electronics and household appliance outside the property. Nothing has been done to attempt to clean it up. We will need to begin daily violations. Brian Carl would like the Bougher property on Kernsville Road added to the March agenda.

Joseph Kalusky: January there were 13 days of winter maintenance, they repaired and painted plows, fixed holes on dirt roads and cleaned up the drains in the shop. In February they will tiger mow and clean up the shop. They will be getting a container to clean up scrap in the back of the property.

All 5 fire department agreements have been received. Brian has been talking with Jaindl about Poplar Road. Mr. Jaindl is in talks with the Game Commission, as they would like to use Poplar Road as an access to the game lands. Mr. Jaindl is willing to work with them.

Lehigh County Authority needs an addendum to our water agreement to extend our water lines. Justin Schell states that the proposed addendum is non-committal and that the Township is fine with the extension. Addendum 10 should change, as we want to approve any extension. If we sign as is, we are giving up control of where the water can be extended. Robb Werley asked if we talked about taking the waterline down to Stone Haven's property. Right now they changed it to only go to Betz Court, we would like to extend a bit further to

**Horseshoe and Leather Corner Post. Brian Carl will speak to Lehigh County Authority to amend the contract and to extend the water line.**
