Resident Larry Shaw was present to ask what the fire tax is for and what the fire company would benefit from it and how much they would receive. His fire tax is \$85 per year. Richard Hughes mentioned that property tax has not been raised since 1982 in the Township. Brian Carl explained that there are 5 fire districts in Lowhill Township, Fogelsville, New Tripoli, Germansville, Tri Clover and Schnecksville. There were 89 emergency calls in Lowhill in 2021. Revenue from the fire tax will be approximately \$100,000, to go only to fire services. Richard Hughes explained that our budget just doesn't cover fire services anymore. So either we have a fire tax or we have to build our own fire station, which would be much more expensive to our residents. We haven't been able to put money in our building or equipment fund in a few years. We have been talking about a fire tax for quite some time, it was advertised in the paper and on the website for our residents, as well as in the minutes. Diana Vilois, a resident of Lowhill asked if we will have a police tax. Keith Strohl explained that is a decision on a State level and we will not have any control over that. The State has proposed a \$25 per person tax at first, then progressively goes up from there. This has not passed yet. Carol Betz asked if there will be any accountability on how the fire companies use the fire tax money. Keith Strohl stated that under the statute, we can ask them for it. Carol also pointed that some residents have already paid their property tax off the original tax bill sent without the fire tax. She asked the reporter to please add to have those residents contact her, so she can avoid having to send their money back. Jill will also post it on the website pop up. It was also asked if the fire departments bill for a tree down in the game lands. The answer is yes they do, if they are called out, they bill.

We have an Ag Security for 143 acres at 6597 Game Preserve Road in Schnecksville. Keith Strohl will record.

Weisenberg bid the multi municipal oil bid and also our multi municipal line painting bid. Richard Hughes made a motion to accept the oil bid for Midland Asphalt for \$2.62/gallon.
